

## How to find a Core Group:

### Online

Check out the church website:

[huntvalleychurch.org](http://huntvalleychurch.org) and go to "Join a Core Group" under the "Adults" tab. There you can use the "Find a Core Group" tool to see each group's meeting location, day of the week and whether childcare is offered.

Check out our display boards in the main

lobby of each campus to see groups that are currently open to new people joining.

### Core Group Display

### Bi-Annual Event

Twice a year we hold *Finding Your Core Group*,

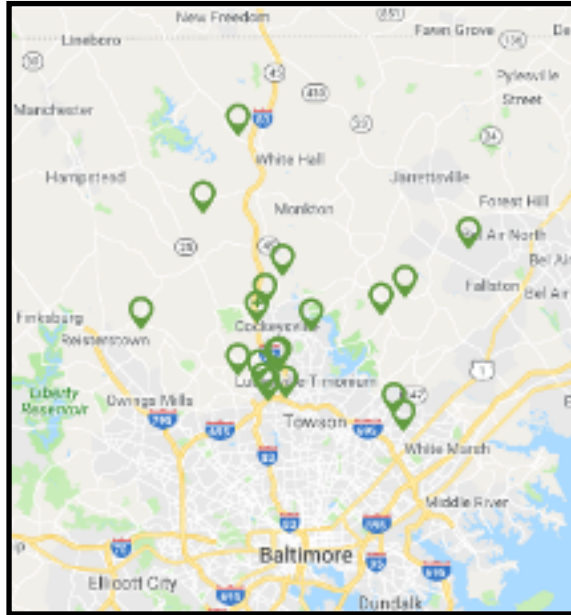

our connect event. The event is designed to help you "speed date" our groups to find a perfect fit! The event is typically held in mid-September and early January.

Any questions? email us at:

## Core Group Ministry Mission Statement

Connecting a community  
of believers to be  
transformed in Christ.

## What is a Core Group?

We believe Core Groups are the "core" of Hunt Valley Church (HVC). By connecting you to a community of believers, Core Groups help you experience the glory and purpose of Christ's Church. They also provide space for the transforming work of the Holy Spirit as He works to draw us closer to God and others.

## Why we think you should be in a group

Core Groups are a place to breathe! Here's what breathing as a part of our spiritual lives looks like:

Breathing In: Bible Study, Prayer, Silence, Reading, Fasting, Solitude

Breathing Out: Serving, Hospitality, Generosity, Mission Trips

## What people are saying about Core Groups

*"When my wife and I first came to HVC, we were overwhelmed by how many people were there on a Sunday morning and how few we knew.*

*Soon after we started attending, the church offered an event: Finding Your Core Group. From that event we joined a Core Group. Though the group has changed over the years as we have multiplied into new groups, the friendships have lasted a lifetime.*

*Over the last few years our Core Group has helped each other move, attended one another's weddings, faced tragedies together, and most of all, experienced the transformative power of prayer and Scripture as a community. I know my faith and my life would not be the same were it not for my Core Group."*

- Jason Mroz  
(Current Core Group Facilitator)

## What happening in the Core Group ministry?

In the 2018/2019 school year we:

- Added four new Core Groups
- Added 40+ participants
- Continued to train facilitators and connect people to groups

## How to become a Core Group facilitator

**Step One:** Go to Registration Central at [huntvalleychurch.org](http://huntvalleychurch.org)

**Step Two:** Click on "Core Group Facilitator Application" and complete the application

**Step Three:** Meet with members of the Core Group Leadership Team for an interview
